

# Lesson Plan 11, ISTA-420

## Chapter 7, T-SQL Fundamentals

June 15, 2017

### 1 Class Discussion

Pages: 230 — 240, chapter 7.

We will have a brief discussion of this material.

### 2 Graded Exercises

Graded exercises from 8:00 (approximately) to 10:00 — two hours more or less. Open note, open book, but no personal assistance, Ten questions. Email me your SQL file at [cartec22@erau.edu](mailto:cartec22@erau.edu).

### 3 Graded Exercise Solutions

At 10:00 (approximately) we will work these exercisers, you will self grade your own exercises. Email me your grades at [cartec22@erau.edu](mailto:cartec22@erau.edu). I will spot check certain problems, just to keep you honest. ;-)

### 4 Course Project

Testing, your deliverable will be the SQL script you use for testing. You should comment your SQL script with the specific requirements you are testing against, and if necessary, your written rationale for the test.

### 5 Homework

Read chapter 8, pages 249 – 266 in the *T-SQL Fundamentals* book.
